THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

DDI #1236-82

12 February 1982

MEMORANDUM FOR: The National Foreign Intelligence Board

SUBJECT   :   Estimates Program for the Balance of CY 1982

1. Attached is a copy of the final version of the current production plan for interagency estimates. It has been revised after taking into consideration the comments offered by the Principals at the NFIB meeting of 2 February 1982.

2. Major changes introduced in the attached version of the plan are as follows:

-- Various intelligence interests in Central America have been consolidated in a new NIE, and earlier proposals for individual country papers on the region have been dropped.   25X1
                                                                                      25X1

-- The paper originally proposed [   ] has been   25X1
   expanded to include all [   ] in   25X1
   order to meet Treasury's interests.

-- Papers have been added on [   ] to fill   25X1
   perceived needs for a fresh look at both countries.

3. [   ]   25X1
   [   ]   25X1
   Also, because of other commitments, we are unable to accept at this time Treasury's suggestion for an estimate in support of Global Negotiations. We are, however, examining ways to address specific issues in the North-South dialogue.
